True PatriotVon Ein KundeThose caught up in the hype of the movie *The Patriot* will be eager to read this

extensively researched and captivating narrative of a true patriot from South Carolina during the American Revolution. Massey brings John Laurens to life in this superb biography of a planter's son-become-military-hero who believed in giving slaves who fought for the American cause their freedom.

Kurzbeschreibung Winning a reputation for reckless bravery in a succession of major battles and sieges, John Laurens distinguished himself as one of the most zealous, self-sacrificing participants in the American Revolution. A native of South Carolina and son of Henry Laurens, president of the Continental Congress, John devoted his life to securing American independence. In this comprehensive biography, Gregory D. Massey recounts the young Laurens's wartime record a riveting tale in its own right and finds that even more remarkable than his military escapades were his revolutionary ideas concerning the rights of African Americans. Massey relates Laurens's desperation to fight for his country once revolution had begun. A law student in England, he joined the war effort in 1777, leaving behind his English wife and an unborn child he would never see. Massey tells of the young officer's devoted service as General George Washington's aide-de-camp, interaction with prominent military and political figures, and conspicuous military efforts at Brandywine, Germantown, Monmouth, Newport, Charleston, Savannah, and Yorktown. Massey also recounts Laurens's survival of four battle wounds and six months as a prisoner of war, his controversial diplomatic mission to France, and his close friendship with Alexander Hamilton. Laurens's death in a minor battle in August 1782 was a tragic loss for the new state and nation. Unlike other prominent southerners, Laurens believed blacks shared a similar nature with whites, and he formulated a plan to free slaves in return for their service in the Continental Army. Massey explores the personal, social, and cultural factors that prompted Laurens to diverge so radically from his peers and to raise vital questions about the role African Americans would play in the new republic. Pressestimmen But Massey's intimate familiarity with the life and exploits of John Laurens makes for a wonderful read, the style eminently accessible for the casual reader and academic historian alike. -- Carolina Chronicles Magazine
