Von Bruce Chilton, Jacob Neusner : Judaism in the New Testament: Practices and Beliefs before purchasing it in order to gage whether or not it would be worth my time, and all praised Judaism in the New Testament: Practices and Beliefs:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Must reading for Jewish Roots of ChristianityVon Ein KundeThis book is the finest, most balanced book I have read on the

common roots of Judaism and Christianity. The notion that Christianity was A Judaism was counter to my thinking, but they make the case. It stresses the similarities and differences between Judaism and Christianity, showing that the differences are within the Judaic context. I didn't agree with everything they said, but any serious discussion and debate on this subject MUST include the points raised here.0 von 0 Kunden fanden die folgende Rezension hilfreich. This is a great devotional book!Von Ein KundeThis is the first book of either author I have readand I enjoyed it completely. The idea that the New Testament is another form of Judaism at first went against what I was taught even though I had always recognized the jewishness of Jesus. This book focuses on the important issue of God fulfilling the Talmud through the person of Jesus Christ

KurzbeschreibungJudaism in the New Testament explains how the writings of the early church emerged from communities which defined themselves in Judaic terms even as they professed faith in Christ. These two extremely distinguished scholars introduce readers to the plurality of Judaisms of the period. They show, by examining a variety of texts, how the major figures of the New Testament reflect distinctly Judaic practices and beliefs.This important study shows how the early movement centred on Jesus is best seen as `Christian Judaism'. Only with the Epistle to the Hebrews did the profile of a new and distinct Christian religion emerge.Pressestimmen"This study by two well-established scholars explores a fresh approach to Christian origins."-Regina A. Boisclair, "Journal of Ecumenical Studies "The value of this work lies in the step-by-step comparison and contrast of various responses to critical issues common to nearly all Jewish communities...The approach of this book, while introductory in nature, points the way to the future study of the NT documents."-" of Biblical Literature "The book is designed to afflict those who are comfortable in their assumptions about Judaism, Christianity, or both...In sum, it is less an up-to-the-minute presentation of modern NT scholarship and more a book of new ideas suitable for an adventurous teacher and class, or book study group."-" Religious Studies , Vol. 23, April 1997 For the first time, in Judaism in the New Testament, two distinguished scholars take the earliest Christians at their word and ask: "If ChristianityKurzbeschreibungJudaism in the New Testament explains how the writings of the early church emerged from communities which defined themselves in Judaic terms even as they professed faith in Christ.
