Von Max Lucado : Just In Case You Ever Wonder before purchasing it in order to gage whether or not it would be worth my time, and all praised Just In Case You Ever Wonder:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Good, but a little misleadingVon Sonya Ruth Jongsma-KnaussWhile this book has a very good point to make -- children are special and loved by God and their parents -- it also tends to perpetuate the idea that because God loves you, everything will be perfect. The section I take issue with says, "and since you are so special, God wanted to put you in just the right home... where you would be warm when it's cold, where you'd be safe when you're afraid, where you'd have fun and learn about heaven." What about the children God made who aren't warm when it's cold, or who don't live in safe places?0 von 0 Kunden fanden die folgende Rezension hilfreich. IF YOU ARE A PARENT; BUY THIS BOOK FOR YOUR CHILD!Von Soaring HeartI took one look at this book tears welled up and knew it was a keeper; I bought it on the spot. It says what I think every parent feels about their "little angel sent from Heaven" (as my Mom

always called me.)The story begins by telling the child "long, long ago God made a decision...a very important decision...one that I'm really glad He made. He made the decision to make you."The story truly expresses what we as parents all want our children to know: they are very special, unique and have our hearts wrapped around their fingers since birth and this will never change."...As you grow and change, some things will stay the same. I'll always love you. I'll always hug you. I'll always be on your side. And I want you to know that... just in case you ever wonder."The ending is perfect; it talks about heaven. At the beginning and end, there are a few blank pages that I took advantage of and wrote some personal comments in my only daughter, Kaitlyn's copy. I know she will cherish this book forever and always know how much her Mom loves her. Isn't that what you want for your children? We are not immortal; leave something behind for your child to treasure. This book is a great way to do it.1 von 1 Kunden fanden die folgende Rezension hilfreich. DisappointedVon cathy laneAfter reading the other rave reviews, I thought I would buy a copy for a gift and one for myself. I have a 4 year old boy, and I would not read this book to him. I think the ending talks about death more than I would want to at his age. I asked a very religious friend to see if she would like it better than I did. However, she felt the same way. The beginning is sweet, the ending is not.

KurzbeschreibungJust In Case You Ever Wonder tells of a father's love for his child. This perennial best seller from Max Lucado will wrap your child in its tender message of love, comfort, and protection, showing that as they grow and change, you'll always be there for them.From BeliefnetA wonderful bedtime story to instill in your child just how much he or she is loved not only by you, but also by God. Best-selling author Max Lucado shares his warm blessing of love and tenderness in this board edition of a favorite family story. He writes, "As you grow and change, some things will stay the same. I'll always love you. I'll always hug you. I'll always be on your side. And I want you to know that . . . just in case you ever wonder."
