Angst keine Chance  
Von Ein Kunde  
Der Protagonist des Romans, der 12-jährige Miguel, leidet an Epidermolysis  
bullosa, einer seltenen, schweren erblichen Hautkrankheit. Trotz dieses in jeder Hinsicht belastenden Umstandes  
versucht der Bub immer wieder positive Perspektiven zu entwickeln. Hin- und hergerissen zwischen der betriebenen  
Fürsorge seiner labilen Mutter und den Ermunterungen seiner starken und doch einflussreichen Tante Shirley gelingt es  
Miguel schließlich sich von seinen Ängsten zu befreien..... Clint Adams' gefühlvoll geschriebene Geschichte ist eine  
Ermutigung Ängste und Vorurteile jeglicher Art zu überwinden und positives Lebensgefühl aufzubauen und somit für  
Kinder und Erwachsene empfehlenswert!

journey through the mind of Mikey

This book is very inspiring in many aspects. It focuses a lot on  
spirituality. Even if you do not believe in God there are many other important lessons and morals. I personally enjoyed  
watching Mikey grow as a person. I think you will look at your life differently after reading this book. I would  
recommend this book for all ages.

Kurzbeschreibung Miguel, the central character in this mainstream novel for adults and young adults is unique, yet he shares a trait common to many children; a lifetime measured by days instead of years. Miguel happens to live with the skin-blistering disease Epidermolysis Bullosa, but he spends little time thinking about it. For Miguel, living with fear is far more deadly than this potentially fatal disease that encompasses his life. Miguel happens to command an extraordinary ability to view life as few others do, with razor-sharp insights and an unwavering spiritual conviction that all things are possible to those who believe. The action in this novel revolves around Miguel's many changes and transformations as he comes to realize that he was put on earth for a purpose, to teach others about the enormous power of belief and faith (in themselves)?just as (Miguel believes) God intended.
