Von William Shakespeare : King Henry V (Annotated) (English Edition) before purchasing it in order to gage

whether or not it would be worth my time, and all praised King Henry V (Annotated) (English Edition):

Kurzbeschreibung*This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors.Henry V is a history play by William Shakespeare, believed to have been written in approximately 1599. It tells the story of King Henry V of England, focusing on events immediately before and after the Battle of Agincourt (1415) during the Hundred Years' War. In the First Quarto text, it was entitled The Cronicle History of Henry the fift, which became The Life of Henry the Fifth in the First Folio text.The play is the final part of a tetralogy, preceded by Richard II, Henry IV, Part 1 and Henry IV, Part 2. The original audiences would thus have already been familiar with the title character, who was depicted in the Henry IV plays as a wild, undisciplined lad known as "Prince Harry" and by Falstaff as "Hal". In Henry V, the young prince has become a mature man and embarks on a successful conquest of France.From Library JournalThe three individual plays launch the third edition of the venerable "Arden Shakespeare" series, which will see the entire canon reproduced in superior scholarly editions by the year 2000. The First Folio is a facsimile edition of the original 1623 publication of the bard's works.Copyright 1995 Reed Business Information, Inc.Pressestimmen."..when he is analyzing Shakespeare's use of sources and the language and actions of the characters, Gurr is careful, objective, balanced, and often incisive....excellent critical examinations...." William B. Long, TEXT: Transactions of the Society for Textual Scholarship
