Von William Shakespeare : King Henry V: By William Shakespeare - Illustrated (Comes with a Free Audiobook) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised King Henry V: By William Shakespeare - Illustrated (Comes with a Free Audiobook) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Henry vVon Bernie30 years ago I read the play and then let it slip from my repertoire. So now it is new again. I started with A Brief Guide to William Shakespeare without the Boring bits commentary by Peter Aykroyd, and then worked my way through three film versions. Now finally I am reading the book to see what I missed.The BBC is more complete and closer in verbiage to the original play versions. Lawrence Olivia was force to cut out much of the play because of time constraints and because of the time of the production Henry V could not look like a tyrant and they had to justify the war so it would coincide with the WWII war effort. However Kenneth Branagh, Making his directing debut, pulled out all stops. He may have missed a few lines here and there but replaced them with visuals and innuendos.This story is based on prior works but can stand alone very well as what history of Henry is needed is mentioned in the play. Henry V was a sort of playboy (probably by cunning design) as a youth and when becoming king has decides to acquire France that is his heritage. In the process he must prove his ability to understand and lead people. One of his first tests is to detect treachery and remove it. The films leave out a lot of the information that make this story complete and interesting.I must say the kindle version helps you move along with text-to-speak without it you will find you self constantly looking at the dictionary the first time through. The second time through it runs much smoother but people look at you funning when you use terms like puissant. Two thirds of the words came up in the online kindle dictionary; the rest had to rely on other on line dictionaries.In any event as usual I found many daily quotes had come from this play:We few, we happy few, we band of brothers; For he to-day that sheds his blood with me Shall be my brotherIf you do not come away with any other wisdom remember if you are traveling through France keep an eye on your luggage.0 von 1 Kunden fanden die folgende Rezension hilfreich. A great PlayVon Peter BartschI love Shakespeare very much, his plays so full of action and violence. Wanted to ead the full text after seeing Kenneth Brannagh's movie and was not disappointed0 von 1 Kunden fanden die folgende Rezension hilfreich. King Henry VVon Petra KirchnerEines von William Shakespears Meisterwerken auf Englisch. Danke das es angeboten wird!! Vielen, vielen Dank dafr. .de ist echt toll!!!

KurzbeschreibungHow is this book unique? Original Unabridged EditionTablet and e-reader formattedShort Biography is also included15 Illustrations are included One of the best books to readBest fiction books of all timeBestselling NovelClassic historical fiction booksKing Henry V is a history play by William Shakespeare, believed to have been written in approximately 1599. It tells the story of King Henry V of England, focusing on events immediately before and after the Battle of Agincourt (1415) during the Hundred Years' War. In the First Quarto text, it was entitled The Cronicle History of Henry the fift.,which became The Life of Henry the Fifth in the First Folio text.The play is the final part of a tetralogy, preceded by Richard II, Henry IV, Part 1 and Henry IV, Part 2. The original audiences would thus have already been familiar with the title character, who was depicted in the Henry IV plays as a wild, undisciplined lad known as "Prince Harry" and by Falstaff as "Hal". In Henry V, the young prince has become a mature man and embarks on a successful conquest of France.KurzbeschreibungHow is this book unique? When he was eighteen, he married Anne Hathaway. The couple had three children an older daughter Susanna and twins, Judith and Hamnet. Hamnet, Shakespeare s only son, died in childhood. The bulk of Shakespeare s working life was spent in the theater world of London, where he established himself professionally by the early 1590s. He enjoyed success not only as a playwright and poet, but also as an actor and shareholder in an acting company. Although some think that sometime between 1610 and 1613 Shakespeare retired from the theater and returned home to Stratford, where he died in 1616, others believe that he may have continued to work in London until close to his death.
