**Von Harry K. McEvoy : Knife Throwing: A Practical Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Knife Throwing: A Practical Guide:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Good guide, the rest is up to you....Von Agustin DevotoVery good, short, easy to read book. Mc Evoy shows you the techniques for throwing a knife accurately. Reading this book will point you in the right direction. Afterwards practice, and lots of it is what is going to make you good at it. The only reason i deducted one star is because since the book was written in 1973 I believe, some of the info on Knife throwing affiliations, etc.. is outdated. Nonetheless, good,

concise, and informative book.0 von 0 Kunden fanden die folgende Rezension hilfreich. ExcellentVon Ein KundeMr. McEvoy teaches traditional knife throwing in this book as well as outlines tomahawk throwing. If you wish a more in-depth look at tomahawk throwing, I suggest you read Mr. McEvoy's other book on the subject. The author describes in detail the traditional technique as well as ways to figure out the distance at which you can throw the knife and "stick" it. He also has tales of past professionals in the sport and their own particular styles of throwing. He also talks of using throwing knives as huntsmens' tools and building a suitable outdoor target. He also shows you how to select (a) suitable knives (knife). If you wish to get the fundamentals of knife throwing down, this is the book for you.0 von 0 Kunden fanden die folgende Rezension hilfreich. Practice!Practice!Practice!Von capella@mind.netNot only does this book explain the snap , you must have to actually stick a knife and show all the fundamentals and learning secrets, but it also goes in depth for the intermediate thrower on trick throws and more advanced techniques and illustrates professionals and what they use and what they inspire. A great book for any stage of the fascinating art of knife throwing!

Kurzbeschreibung"Knife Throwing is the most authoritative guide on every aspect of the sport. From knives and knife throwing techniques to competition and advice, as well as profiles of pioneers and legends in the field, this book covers it all." Bobby Branton, President of American Knife Thrower's Alliance (AKTA)Not only is knife throwing fun, it is also a great sport, entertainment, recreation and exercise. It can be a wonderful hobby, pastime, or even a profession, and the fundamentals are easy to learn. Anyone who can throw a stick, stone, or baseball can also learn how to throw a knife with skill and accuracy. All you need is a good knife-designed for the purpose, whether made to throw by the handle or blade, a target, and a small portion of the back yard for the throwing range. Few sports can provide so much recreation at so little cost. Knife throwing is a sport in which individual skills can be developed to a very high degree. Expert knife throwing, like great proficiency in any other sport, is developed by natural aptitude and instinct combined with that one magic ingredient: practice!In Knife Throwing by American Knife Thrower's Alliance founder, Harry McEvoy, demonstrates how to throw a knife successfully in chapters such as:It's Fun to Throw a KnifeChoice of WeaponsHow to Throw a KnifeHow to Develop "Pin-Point" AccuracyHow to Select a Throwing KnifeTargets: How and WhereTomahawks and BowiesSafety Measures, Rules, and Care of KnivesThe ProfessionalsHunting: A New Twist to an Old SportTales, Legends and PeoplePressestimmen""Knife Throwing" is the most authoritative guide on every aspect of the sport.
