Von Paul E. Little : Know What You Believe before purchasing it in order to gage whether or not it would be worth my time, and all praised Know What You Believe:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Generally scholarly and persuasiveVon Ein KundeI found this book to be a good defense of the Christian faith. It contains an answer to many of the classic questions posed by those who challenge Christianity. For the most part, the book seemed well researched and scholarly. The thing I liked least about it was the anti-Catholic (and Orthodox) bias. The section which discusses the old Testament canon is just plain wrong when it says that the Catholic Church added

the deuterocanonical books ("apocrypha") to the bible in the Council of Trent. Also, at the end when it contrasts Christianity to other religions, it totally neglects the Catholic and Orthodox views of salvation as a process. It takes the view of salvation held by some Protestant sects, the view of eternal security, and presents this view as if it was the view of all Christians. Despite these faults, I would recommend the book for any Christian who is interested in apologetics or for anyone who has doubts about his/her Christian faith. 0 von 0 Kunden fanden die folgende Rezension hilfreich. great book to have or give Von Ein Kunde I think that this book is a must have for any Christian, and also a great book to give to believers and potential believers (everyone else). The book really does a great job preparing a Christian for knowledgeably witnessing to people. And I think it also really confirms Christians in their faith. I have found it good to give this book as a gift to someone who you know is contemplating God and all of his wonderful ways. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Getting To Know Yourself Too! Von Shawn Hinton We are currently using this book in our Mommies with Babies Sunday School class. For some students I thought it would be a refresher topic, but it truly had us stumped and really made every one think and rethink. This is not just casual reading. Be ready to work when you open this book, but expect great rewards! Shawn

Kurzbeschreibung What does Christianity have to do with anything? What does the Christian faith teach about God, Jesus and the Holy Spirit? What do I need to know about angels, Satan and demons? What place should the Bible or a church have in my life? By exploring these and other core questions, bestselling author Paul E. Little leads you into a greater appreciation of a God who has done great things to bring you into a relationship with him through Jesus Christ. He presents ten bottom-line, non-negotiable truths of Christianity using humorous, anecdotal illustrations gathered from years of experience helping believers share their faith with not-yet Christians. Expanded and updated throughout by Paul's wife Marie, this contemporary edition is packed with illuminating answers to questions and misconceptions about the Christian faith, with study questions for each chapter. Pressestimmen "This updated classic stands ready to serve a whole new generation. Read it and let Paul help you understand the timeless biblical truths that will prevent you from being 'blown here and there by every wind of teaching.' "--Mark Mittelberg, executive vice president, Willow Creek Association "There are just a few timeless treasures in Christian literature. Know What You Believe is one of them. I am confident that the expanded and updated version of this book will be as important to this generation as it was in the days when I was a student." --Joseph Stowell, former president, Moody Bible Institute "I have deeply admired [Paul Little] as a man of God with extraordinary insights into the work of God and boundless enthusiasm for communicating the Word of God." --Billy Graham Kurzbeschreibung What does Christianity have to do with anything?
