Von Zondervan : Knowing God's Will (Women of Faith / Bible Study Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Knowing God's Will (Women of Faith / Bible Study Series):

Very good for small group studies!Von Ein KundeMy chapter of the Daughters of the King did this as a 6-month study (we meet once a month and did a chapter each month). A different person led each lesson.We found it to be very easy and

very rewarding. It is not very time-consuming, but it really does get you thinking about God's will for your life, and it generates some great discussion among the group. Some of the Just for Fun activities are kind of cheesy, like playing hide and seek and dancing around the room. But we skipped the ones we weren't comfortable with. Other sections, such as Quiet Reflection, Knowing God's Heart, and Making It Real in Your Own Life, were awesome. Great tools to make the material sink in!
