Von Philip Coppens : Land of the Gods: How a Scottish Landscape was Sanctified to Become Arthur's Camelot (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Land of the Gods: How a Scottish Landscape was Sanctified to Become Arthur's Camelot (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Love itVon DervonnaI love this book. It is an excellent reading for people interested in "the story behind the veils".. Camelot. I must admit, everything must be taken with a pinch of common sense, because whatever we call a fact, left a

place for speculations. But I really thought this book is not nonsense. Interesting reading.

Kurzbeschreibung Land of the Gods is the story of the ancient inhabitants of the Lothians and the Borders, whose accomplishments are visible in Cairnpapple, Traprain Law and other ancient monuments. They accentuated the regions unique volcanic landscape to make it reflect their mythology, which spoke of gods descending from Earth and the local ruler being a representative of the sun god Loth. Throughout history, the land remained special: the Romans did not conquer the Gododdin, as they called the inhabitants. And when the Romans were retreating from Britain and for the first time, neighboring tribes tried to lay claim to the land, a magnificent warrior appeared, who would fight for the survival of his land. He was remembered as Arthur and his Camelot was the Lothians and the Borders region. Unfortunately, after his reign, the region was overrun and his tribe, the Gododdin, fled to Wales, where they would speak of their magical kingdom and the mythical hero; the legend of Arthur of was born, but the history of Camelot forgotten.

Klappentext Land of the Gods is the story of the ancient inhabitants of the Lothians and the Borders, whose accomplishments are visible in Cairnpapple, Traprain Law and other ancient monuments. They accentuated the region's unique volcanic landscape to make it reflect their mythology, which spoke of gods descending from Earth and the local ruler being a representative of the sun god - Loth. Throughout history, the land remained special: the Romans did not conquer the Gododdin, as they called the inhabitants. And when the Romans were retreating from Britain and for the first time, neighbouring tribes tried to lay claim to the land, a magnificent warrior appeared, who would fight for the survival of his land. He was remembered as Arthur and his Camelot was the Lothians and Borders region. Unfortunately, after his reign, the region was overrun and his tribe, the Gododdin, fled to Wales, where they would speak of their magical kingdom and the mythical hero... The legend of Arthur was born... but the history of Camelot forgotten.
