Last Post -sehr anschaulich geschriebenVon Matthias KockEs ist erstaunlich genug,da 2004 noch 21 Veteranen des 1.Weltkriegs am Leben waren..Mich fesselte dieses Buch von der 1.Seite an..was diese Manner alles erlebt haben..unglaublich.Kein noch so gutes Geschichtsbuch kann Erlebnisberichte toppen,denn sie waren dabei..das haben sie jedem Historiker voraus.Ich kann dieses Buch nur jedem empfehlen,der sich fr den 1.Weltkrieg ernsthaft interessiert,denn es Geschichte aus 1.Hand.

KurzbeschreibungThe 'Forgotten Voices' of the First World War speak for the final time.LAST POST is very consciously the last word from the handful of First World War survivors who were left alive in 2004. Now they have passed away, our final human connection with the First World War has been broken.Max Arthur, a skilled interviewer, took the very last chance we had to ask questions of those who were there. Now updated to include a new introduction by the author for the centenary of the First World War.Pressestimmen'poignant' -- Susan Osborne BOOKS QUARTERLY 'on this moving recording, stalwart British television actors Paul McGann and Clive Mantle perform the monologues of 10 of the soldiers. They adopt the voices of these largely working class heroes and bring the harrowing experience of life in the trenches vividly to life. LAST POST ably demonstrates where the audio book comes into its own. To listen to these personal accounts of the horror, courage and survival has infinitely more impact than reading the printed word.' -- Vidar Hjordeng FINANCIAL TIMES 'Having previously read the book, it is amazing how listening to it on CD brings it to life. The narrators may not be the actual soldiers but may as well be as you are transported back nearly a hundred years. It is deeply interesting and moving in equal parts and humbles you as a listener, here due to the sacrifice they made. Every home should have a copy of 'Last Post' and ensure future generations are kept aware.' www.FromBumptonGrump.co.uk '3 stars. Excellent.' FAST FORWARD 'This isn't war glamorised or sentimentalised, it's the real thing. "People still talk a lot of rubbish about the war. Only those who were there can tell what really happened," says one old soldier. Listen for yourself, he's right.' -- Sue Arnold THE GUARDIANWerbetextThe 'Forgotten Voices' of the First World War speak for the final time
