Von Matt Kloskowski : Layers: The Complete Guide to Photoshop's Most Powerful Feature before purchasing it in order to gage whether or not it would be worth my time, and all praised Layers: The Complete Guide to Photoshop's Most Powerful Feature:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolut lesenswert!Von b1astiDas Buch wendet sich in erster Linie an Neueinsteiger in die Welt der Layer. Auf ca. 300 Seiten erfahrt man sehr vieles, wenn vielleicht auch nicht alles, zum effektiven Umgang mit Layern. Als Photoshop-Neuling hat mir das Buch sehr geholfen. Der Text ist extrem unterhaltsam geschrieben und ist mit einer lockeren Lehrveranstaltung vergleichbar. Das Wissen wird Schritt fr Schritt in Wort und Bild erklrt. Die Systematik und Didaktik ist hervorragend. Es ist geradezu erstaunlich, wie viel schon bei einem Mal Durchlesen hngen bleibt. Wer eine erschpfende Abhandlung zum Thema Photoshop sucht, ist mit dem Buch falsch beraten, da tatschlich der Titel den Inhalt des Buches zusammenfasst. Das Inhaltsverzeichnis mchte ich nicht wiederholen. Schaut einfach unter die

KurzbeschreibungIn 2008, Adobe Photoshop pro and best-selling author Matt Kloskowski broke new ground teaching Photoshop by focusing on the one thing that makes Photoshop the amazing (and sometimes difficult to understand) program it is: layers. Now, Matt returns with a major update that covers layers in Photoshop CS5 in the same concise, easy to understand way that made him so well known in the field of Photoshop training. When asked about the original version of this book, Matt said, "I wanted it to be the Photoshop book that I wish was around when I was first learning." This update improves upon that concept. Within these pages, you'll learn about: Working with and managing multiple layers in Photoshop CS5 Building multiple-layer images Blending layers together Layer masking and just how easy it is Which of the 25+ layer blend modes you really need to know (there are just a few) Using layers to enhance and retouch your photos All of the tips and tricks that make using layers a breeze Plus, a new chapter on advanced layer techniques and compositing to help take your work to the next level If you want to fully understand layers in Photoshop CS5, this book is the one you've been waiting for!
