gelungene zweisprachige Darstellung Von Customergut zu lesen und sehr praktisch umgesetzt. auch die farbliche
Hervorhebung der einzelnen Stze trgt gut dazu bei den text in der bersetzung zu verfolgen

Kurzbeschreibung This edition features: A new English translation Parallel French and English texts Foreword
Translator's Notes In June 1793, the unknown Captain Napoleon Bonaparte, twenty-three years old, rejoined the army

just as rebellions broke out all over France. A month later, he published this short book, ostensibly propaganda designed to win over insurgents, in reality designed to bring him to the notice of the government in Paris. It was the most important thing he ever wrote and it worked. By Christmas, he was a brigadier-general and famous. Our unique parallel text presents the original French on the left page, the English translation on the right, with sentences and paragraphs aligned for easy reading and reference. Parallel texts of this kind are a very valuable learning resource, as they make the foreign language content immediately comprehensible.
