Von Romano Guardini : Learning the Virtues: That Lead You to God (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Learning the Virtues: That Lead You to God (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is one of Guardini's best books.Von Ein KundeThis book, formerly titled The Virtues, is one of Guardini's best books. It is a list of his chosen virtues, with a chapter devoted to each. On looking at the virtues he chooses, one sees

the essence of his writing. Some of them are: truthfulness, patience, justice, reverence, asceticism, courage, kindness, courtesy, silence, justice before God - they are the virtues of the interior man, the virtues drawn out of contemplation and knowledge of the true nature of the human being. They are also a statement on the times in which we live, where truthfulness, justice, reverence, courage, kindness, courtesy, and, most especially, silence are hard to come by.

Guardini's gift is that he can penetrate the indoctrination, distractions and ultimately, the lying of our age and pierce through to the bedrock of our spirituality, the nature of man, and man in relationship to God. His writings bring man back to what is essential, and strengthen him in trying to live by these precepts. One of Guardini's purposes in all that he did was to shore up the faith in an age that attacks it mercilessly, and in an age that tries to falsify the nature of man (in advertising, media, manipulation, etc.) This is a wonderful book. It is the holy stratosphere surrounding the throne of God. Highly recommended. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The genius of Guardini Von Mary E.K. Turner When I went to college 25 years ago I read the original book "The Virtues" as a required reading. After all this time I still remember the impact this book has had on me! It is the only textbook that I have remembered cherished. I have bought copies to give to friends as gifts, and now that my children are teenagers, I will be giving them their own copies to keep. Guardini has a unique way of presenting the virtues. It is the best book on this subject !

Kurzbeschreibung Grow beyond Thou Shalt Not Learn how to cultivate virtue so that you'll please God in what you do not just in what you don't do. Here are ways to make the key virtues that lead you to God a permanent part of your character. Kurzbeschreibung Grow beyond Thou Shalt Not Learn how to cultivate virtue so that you'll please God in what you do not just in what you don't do. Here are ways to make the key virtues that lead you to God a permanent part of your character. Klappentext There's more to goodness than keeping the Commandments: you've got to cultivate virtue, too, so that you please God in what you do not merely in what you don't do. In these pages, you'll learn countless ways to grow in such virtue. The wise Msgr. Romano Guardini, a German priest hailed by Pope Benedict XVI as "a great figure" who "aspired to the truth of God and to the truth of man," leads you from a consideration of virtue in itself to a discussion of each of the key virtues that will make you holy and lead you to God. Here you'll learn how to begin practicing the virtues and make them part of your daily routine. You'll also learn about: Envy, the hidden sin, even in the spiritually mature: how to fight it Courtesy: how good manners are spiritually vital to souls "What is truth?" The surprising answer to Pilate's question will transform you Patience: it's the prerequisite for all moral growth, and only the morally strong attain it Orderliness: not a moral virtue in itself, but lack of it may cost your soul Why a sense of humor is so important even to your spiritual health The strange contradiction in blaming God for the evil in the world Belief in "progress": in our day it can be a form of idolatry The tyranny of justice: why so many justice movements turn unjust (knowing this is the key to our future as a society) Asceticism: it's not just for monks without it, you may not be saved! Trashy movies: there's spiritual danger even in the ones that don't obviously glorify sin Discover why noise weakens the soul, and how silence is balm for your spiritual life Plus: many other topics to help you grow in the virtues that lead you to God!
