Wonderful gift or anyone in need of a map for the journey Von TP5986@aol.com I highly recommend this book to anyone who is seeking the true nature of the Father. Max has done it again, his words are clear, his meaning concise...to the point. This isn't simply a book for a graduating teen, it is a book for anyone in need of a roadmap for the journey. I read this book in the course of an hour today, at the mall, while my husband Christmas shopped for me, and I walked away renewed. You will go back to this book again and again! 0 von 0 Kunden fanden die folgende Rezension hilfreich. For anyone starting new this is the encouragement you need. Von Ein Kunde I received this book when I graduated from high school and I was on my way to college, and it was by far the most precious gift I received. I laughed, cried, but most of all, I felt totally and completely loved! Max Lucado brings simple every day problems, concerns, and fears and shows that in everything God is there to love and encourage us, as only a Heavenly Father can do. What an awesome thought! 0 von 0 Kunden fanden die folgende Rezension hilfreich. It is an excellent book for people with new beginnings. Von Ein Kunde Great book. I bought two of them. One for my brother who is about to get married and one for my sister-in-law-to-be, who just accepted Jesus Christ as her Savior.

Kurzbeschreibung A best-selling gift for graduates is updated and redesigned for a new generation. The wise and warm sayings of one of America's favorite Christian authors are collected in this unique gift book to guide and encourage graduates on the next stage of their life journey. With plenty of inspiration for the bumps, turns, hills, and straight-aways, this devotional contains a presentation page, personal goal page, as well as pages for favorite verses, scripture poems and sayings, books and songs, and other interactive pages.
