**Von Elinore Pruitt Stewart : Letters of a Woman Homesteader (English Edition)** before purchasing it in order to  
gauge whether or not it would be worth my time, and all praised Letters of a Woman Homesteader (English Edition):

Kurzbeschreibung Two of American author Elinore Pruitt Stewart are bound together in this Kindle book: Letters of a Woman Homesteader (1914) and Letters on an Elk Hunt (1915). Letters of a Woman Homesteader Elinore Pruitt Stewart's letters to Mrs. Juliet Coney, her former employer, form her contribution to American history and literature: Letters of a Woman Homesteader (1914) and Letters on an Elk Hunt (1915). Stewart describes in detail the joys and hardships of homesteading and raising a family on the frontier. STEWART, ELINORE PRUITT (1876-1933) was born in White Bear Hill in the Chickasaw Nation, Indian Territory. In 1906 she moved with her daughter, Jerrine, and two sisters to Denver. Her life of poverty encouraged her to try homesteading. In 1909 she answered Clyde Stewart's advertisement for a housekeeper. Stewart and her daughter arrived in Wyoming in 1909. She filed on 160 acres adjoining Clyde's homestead and married her employer. Stewart spent the rest of her life on the ranch, although she did live in Colorado for several years for the children's education. She died in 1933, at 57. From Publishers Weekly George provides biographical insight into the author of the 1914 pioneer classic Letters of a Woman Homesteader, giving a detailed presentation of Stewart's previously uncollected letters. Photos. Copyright 1993 Reed Business Information, Inc. From School Library Journal Grade 7 Up After deciding that city life as a laundress wasn't for her, Elinore Pruitt, a young widowed mother, accepted an offer to assist with a ranch in Wyoming, work that she found exceedingly more rewarding. In this delightful collection of letters, she describes these experiences to her former employer, Mrs. Coney. Pruitt's charming descriptions of work, travels, neighbors, animals, land and sky have an authentic feel. The West comes alive, and everyday life becomes captivating. Her writing is clear, witty, and entertaining. The 26 letters are brief and tell about her life on the ranch in the early 1900s. The author frequently and unnecessarily apologizes for being too wordy; she begs forgiveness for many "faults," like being forgetful, ungrateful, inconsistent and indifferent, all without apparent cause. On occasion, language reflects the racial prejudice of the time. Many times, Pruitt attempts to portray the culturally diverse characters she meets by writing their various dialects as they sound. Kate Fleming's narration is as smooth as the writing, perfectly transitioning from one accent to the next. She reads with a calm, down-to-earth tone, which suits the writing well.
