Von Edwin Price Ramsey, Stephen J. Rivele : Lieutenant Ramsey's War: From Horse Soldier to Guerrilla Commander (Memories of War) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lieutenant Ramsey's War: From Horse Soldier to Guerrilla Commander (Memories of War):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. ALL prior biographies pale by comparison! Simply incredible!Von Ein KundeWhen writing of Edwin Ramsey one can only use the word HERO in all cap's. The pride one feels when reading of Ramsey leading the last cavalry charge in American military action contrasts with the disbelief that he was not given greater public adulation after the war. Ramsey was able to outfox the enemy behind and around the lines for four years. His incredible work in the Phillipines surely contributed to MacArthur's ability to "return." Personally, when I begin to stress over my daily concerns, career and money, I recall Edwin Ramsey, and my problems seem puny. Read the book!0 von 0 Kunden fanden die folgende Rezension hilfreich. Inspiring story of hardship and courage.Von Ein KundeLt. Ramsay of the 26th Cavalry Regiment led the last horse-cavalry charge in American history, in the ill-starredAmerican defense of the Phillipines in 1942. Narrowly escaping capture by the Japanese, Lt. Ramsey joined the guerrillas in the mountains and jungles of Luzon, fighting not only the Japanese but also starvation, illness, and loneliness. By war's end Colonel Ramsey (D.S.C., S.S. w/OLC) commanded 40,000 guerrillas and weighed 98 pounds. A remarkable record of bravery and endurance.0 von 0 Kunden fanden die folgende Rezension hilfreich. Remarkable story of heroism and bravery!Von Ein KundeAfter reading this book I was surprised to learn that Ramsey had been awarded every medal except the Medal of Honor. Why this honor was not bestowed on this hero is hard to believe. His exploits are almost unbelievable but surely led to MacArthur's return and victory in the Pacific. In view of recent movies about WWII, this would make a great movie. I could hardly put this book down. Great story - well told!

KurzbeschreibungAfter the fall of the Phillipines in 1942 - and after leading the last horse cavalry charge in U.S. history - Ed Ramsey refused to surrender. Instead, he joined the Filipino resistance and rose to command more than 40,000 guerrillas. The Japanese put the elusive American leader at the top of their death list. Rejecting the opportunity to escape, Ramsey withstood unimaginable fear, pain, and loss for three long years. Lieutenant Ramsey's War chronicles a remarkable true story of courage and perseverance.
