**Von J.M.P. Calise : Pictish Sourcebook: Documents of Medieval Legend and Dark Age History (Documentary Reference Collections)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pictish Sourcebook: Documents of Medieval Legend and Dark Age History (Documentary Reference

Collections):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Uns hat man damals erzählt, man wisse nichts über die PiktenVon BranwenUnd dieses Buch ist ein handfestes Argument, mit dem dieser Aussage widersprochen werden kann.Ich bin leider weder Sprachwissenschaftler noch weitläufig in Celtic Studies bewandert und kann altes Gälisch nicht lesen, von daher kann ich mit dem Kapitel der Herrscherfolgen nicht allzu viel anfangen. Das Kapitel mit Herkunftslegenden ist glücklicherweise sehr gut editiert und bersetzt, und wo es sich anbietet sind Texte nebeneinander zum Vergleich gestellt. Auch die beiden Kapitel zu Personen- und Ortsnamen sind sehr informativ.Was dem Buch leider fehlt, vor allem weil die Forschung erst allmählich so weit ist, sie als Informationsträger im weiteren Sinne zu begreifen, ist ein Kapitel über die Piktischen Steine und ihre Symbole.

KurzbeschreibungEdited and translated Medieval texts related to the Picts and Dark Age Scotland have been compiled for the first time in this one volume collection. Recorded texts include Pictish Origin Legends written in Medieval Irish and Pictish and Scottish Regnal Lists, many of which have never previously been edited. Students and scholars will also find appendices containing lists, tables, and charts of supplemental information related to the Picts. Dictionaries of 500 personal, place, and population names associated with the Picts provide further innovative analysis of these texts. Calise has compiled a useful tool which allows scholars and students to compare and contrast the content of these texts in one handy reference book. There are no written documents attributable to the Picts, leaving their history to be created mainly by non-Picts. This reference work is an attempt to find historical truths within the mythological with the use of the available Medieval documentary sources.KurzbeschreibungEdited and translated Medieval texts related to the Picts and Dark Age Scotland have been compiled for the first time in this one volume collection.
