**Von Harry Harrison : Planet of the Damned (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Planet of the Damned (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Classic Science Fiction Von Brian D. Rubenall This was the first science fiction book I read as a kid (too many years ago than I care to count) and it stimulated my interest in the genre. "Planet of the Damned" is classic science fiction and a coming of age story. The hero, Brion, is a young man given his first opportunity to prove his worthiness by trying to save Dis, a horrible planet that seems hell bent on self destruction. Harrison's imagination fills the page with sweeping scenery, even though the book checks in at a relatively snappy 160 or so pages. It is proof that epic science fisticion does not need to go one for many volumes ala L. Ron Hubbard. 0 von 0 Kunden fanden die folgende Rezension hilfreich. One of Harrison's treasures! Von Ein Kunde This book blends action with Harrison's humor and inventiveness. The

book vividly depicts a man's search for an answer to a planet's mystery. From start to finish this book is interesting. If you like science fiction this book is for you! The way Harrison describes the characters, the story, and the planet is remarkable! If you are a fan of Harrison's work, this is a must-have!

**Kurzbeschreibung** Brion Brandd was chosen for the mission because he was the very best of the best. It is up to him to avert a nuclear war, but even all his training and intelligence might not be enough to save a world. Nothing is as it seems and every action could be his last. This tightly plotted adventure novel was nominated for the prestigious Hugo Award.  
**Kurzbeschreibung** Brion Brandd was chosen for the mission because he was the very best of the best. It is up to him to avert a nuclear war, but even all his training and intelligence might not be enough to save a world. Nothing is as it seems and every action could be his last. This tightly plotted adventure novel was nominated for the prestigious Hugo Award.  
**Synopsis** As two planets that share a single star prepare to go to war, Brion Brandd tries to avert the destruction of Dis, a harsh, inhospitable, and dangerous world, by redeeming the hellish Planet of the Damned.
