interessantes Buch Von Banjo Dieses Buch hat mir sehr gut gefallen. Es gibt einen guten Einblick in das Leben in Neu England im 19. Jahrhundert, ganz besonders in das der Frauen. Es sind vor allem auch autobiographische Züge der Autorin vorhanden. Auf jeden Fall empfehlenswert.

Kurzbeschreibung POGANUC PEOPLE By Harriet Beecher Stowe Kurzbeschreibung POGANUC PEOPLE By Harriet Beecher Stowe
Beber den Autor und weitere Mitwirkende Harriet Beecher Stowe was an American author and abolitionist. Born in Litchfield, Connecticut, she was raised in a deeply religious family and educated in a seminary school run by her elder sister. In her adult life, Stowe married biblical scholar and abolitionist Calvin Ellis Stowe, who would later go on to work as Harriet's literary agent, and the two participated in the Underground Railroad by providing temporary refuge for escaped slaves travelling to the American North. Shortly before the outbreak of the American Civil War, Stowe published her most famous work, Uncle Tom's Cabin, a stark and sympathetic depiction of the desperate lives of African American slaves. The book went on to see unprecedented sales, and informed American and European attitudes towards abolition. In the years leading up to her death, suffering from dementia or Alzheimer's disease, Stowe is said to have begun re-writing Uncle Tom's Cabin, almost word-for-word, believing that she was writing the original manuscript once again. Stowe died in July 1, 1896 at the age of eighty-five.
