Von Sherwood Anderson : Poor White (Unabridged) before purchasing it in order to gage whether or not it would be worth my time, and all praised Poor White (Unabridged):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Excellent tale of America's transition to industrialism!Von Ein KundeIf you thought that Winesburg Ohio was good, then you'll absolutely love Poor White. It has a similar feel as Winesburg, except this story revolves around two main characters, Hugh McVey and Clara Butterworth. Poor White tells of how the spread of industrialism affected the

agrarian towns of the Midwest.0 von 0 Kunden fanden die folgende Rezension hilfreich. An important document of America's changing landscape. Von Duane SimolkeSherwood Anderson captures America's change from agrarian to industrial, with insightful and poetic writing. This is a perfect companion to Anderson's best-known work (Winesburg, Ohio) as well as to the many non-fiction books on the same topic (The Machine in the Garden, etc.).0 von 0 Kunden fanden die folgende Rezension hilfreich. Soziologie der Industrialisierung... Von AKNIGMeisterhaft in Personen und Zeitgeschichte verpackt das Indliche Amerika im Aufbruch zur Industrienation.Eine Entdeckung: spannend zu lesen und absolut lehrreich.

Kurzbeschreibung This carefully crafted ebook: "Poor White (Unabridged)" is formatted for your eReader with a functional and detailed table of contents. Sherwood Anderson's Poor White captures the spirit of small-town America during the Machine Age. A lonely and passionate inventor of farm machinery, Hugh McVey, who rises from poverty on the bank of the Mississippi River, struggles to gain love and intimacy in a community where "life had surrendered to the machine." Through his story Anderson aims his criticism at the rise of technology and industry at the turn of the century. Simultaneously, he renders a tale of eloquent naturalism and disturbing beauty. Poor White was praised by such writers as H. L. Mencken and Hart Crane when it was first published in 1920. It remains a curiously contemporary novel, and a marvelous testament to Sherwood Anderson's "sombre metaphysical preoccupation and his smouldering sensuousness". Sherwood Anderson (1876 1941) was an American novelist and short story writer, known for subjective and self-revealing works. Anderson published several short story collections, novels, memoirs, books of essays, and a book of poetry. He may be most influential for his effect on the next generation of young writers, as he inspired William Faulkner, Ernest Hemingway, John Steinbeck, and Thomas Wolfe. From Publishers WeeklyAnderson's story of inventor Hugh McVey, which he originally published in 1920, the year after Winesburg, Ohio, is considered by many to be his finest novel.
