**Von June Keith : Postcards from Paradise: Romancing Key West** before purchasing it in order to gage whether or not it would be worth my time, and all praised Postcards from Paradise: Romancing Key West:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.  
Postcards From Paradise, Romancing Key West Von Steeny Gressick The book consists of many vignettes on real people who live, or have lived in Key West. Each story touched my heart, made me laugh and sometimes cry. June

Keith is a powerful writer on the human condition. Simple, truthful, and to the point. Each story makes you think and reflect. I also read *More Postcards From Paradise*, in anticipation of my trip to Key West. The book, made me feel comfortable in a place I've never been before. June Keith feels like an old friend, even though we've never met. I half expected to meet her, and the many people she wrote about so eloquently in these two fine books. The photographs really made the stories come alive for me.

**Kurzbeschreibung** Detailing life in tiny, artsy, anything-goes Key West where Broadway composers and bestselling authors live on the same funky blocks as housekeepers, bartenders, and tour guides this updated collection of essays and columns about island life features pieces that first appeared in the Miami Herald. Profiles of colorful characters such as an Italian heiress who waits tables, a dishwasher with a PhD, and a taxi-driving opera singer provide a kaleidoscopic portrait of residents living, working, and playing in a caste-free, rowdy paradise.
