Von Evelyn Underhill : Practical Mysticism (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Practical Mysticism (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A must!Von William KellerThis book is a life-changing experience. Get it now, if you have any interest in mysticism. The author explains things in depth and in language that makes the concepts easily understandable. I highly recommend this book.

KurzbeschreibungEvelyn Underhill (1875-1941) was an English writer known for her works on religion, particularly Christian Mysticism. This edition of Underhills Practical Mysticism includes a table of

contents. Kurzbeschreibung Evelyn Underhill (1875-1941) was an English writer known for her works on religion, particularly Christian Mysticism. This edition of Underhills Practical Mysticism includes a table of contents. Synopsis Noted authority explains in simple, direct language how the practice of mysticism can raise spiritual consciousness, resulting in a better grasp of reality, improvements in efficiency and problem-solving skills, as well as a better reconciliation of duties and ideals to the ordinary demands of dail
