**Von Edward M. Hays : Pray All Ways: A Book for Daily Worship Using All Your Senses** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pray All Ways: A Book for Daily Worship Using All Your Senses:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Buy it! It will change the way you pray! Von Sharon W. Putman This book is awesome! As the author says, "Until we have learned to pray all ways, the danger is that we will replace prayer with work and some acts of kindness. But if these

activities, regardless of how much good seems to be happening, are separated from a heart that is praying, they cease to be apostolic, fruitful, and redemptive. They become simply good deeds."The key to this book is this: "The different activities of our daily lives are not distractions from prayer but rather the rich soil for prayer."And how can you say no to a book that has a chapter called the Prayer of Napping! :-0 von 0 Kunden fanden die folgende Rezension hilfreich. An excellent roadmap to the mysticism of the everyday.Von Ein KundeThrough the prayers and meditations in this book, I've enhanced my faith greatly. Father Hays helps us to see the Divine in the everyday. I highly recommend this book and plan to buy several copies as gifts for friends and family members whom I think would benefit from the messages contained in this work.

KurzbeschreibungThis new edition of Edward Hays's pioneering book on prayer (more than 40,000 copies sold) stands apart in a crowded field of book on how to pray with its unique interpretation of the biblical command to "pray always"--a call to pray creatively, at all times, and in every circumstance. Featuring a new introduction and beautifully designed text for reflective reading and prayer, Pray All Ways stresses God's gift of our senses. Learn how to pray with your eyes and noses, your taste buds and hunger pains, and your hands and feet. Each of the fifteen chapters features ways to pray as well as the author's original, creative, and soul-stirring prayers. Hays invites readers--whether they are on the go or at rest, awake or asleep to celebrate the Creator by enjoying and sharing God's gift of prayer.PressestimmenThere are few people who consistently give us both depth and breadth--while never closing that clever and humorous edge--as Ed Hays. If a holy man is one who does not take himself too seriously, then Ed is such a man. Fortunately, he always takes God and his readers very seriously!KurzbeschreibungThis new edition of Edward Hays's pioneering book on prayer (more than 40,000 copies sold) stands apart in a crowded field of book on how to pray with its unique interpretation of the biblical command to "pray always"--a call to pray creatively, at all times, and in every circumstance.
