**Von Maxine Outlaw : Pray Like Hell: How to Talk with God** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pray Like Hell: How to Talk with God:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Pastor's Perspective. . . Von Mike Perschon (athanasia@compusmart.ab.ca) I'm the pastor of a postmodern church "experiment" ministering to young adults, young families and teens, and this book would be my number one pick as a beginner's book on prayer. This book covers areas most books on prayer won't touch such as "angry prayer" and is able to communicate in terms which are neither too difficult nor simple. I highly recommend this book, regardless of your faith background, if you're looking for a book on how to pray, this is it! 0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is GREAT! Von Ein Kunde This book should be at the check out counter in every book

store! It is a thoroughly delightful approach to conversing with the Guy upstairs. Many of us experienced churches/religions that interfered with our relationship with God, or made it secondary to church politics. Maxine Outlaw shows us how to get back to basics. I hope her book sells like hell!0 von 0 Kunden fanden die folgende Rezension hilfreich. A book everyone should readVon Ein KundeThis book suggests countless ways to "talk to God", many of which aren't even in words. It is especially helpful for the person who doesn't have a formal religious training and who has been hesitant to have a dialog with the Supreme Being because they don't "know how to do it", or what to say.

KurzbeschreibungPray Like Hell: How to Talk with God is a practical, highly entertaining guide to prayer for people who consider themselves spiritual, but not necessarily "religious." People are seeking fresh ways to talk with God as a way of coping in a fragmented, lonely world. With lots of stories, anecdotes, and an edgy sense of humor, Maxine Outlaw shows people how to pray.
