jews,alike.raquella was an incredibly intelligent, motivated strong woman.she accomlised much in her life was an extremely humble human being. enjoy our history!

KurzbeschreibungA National Jewish Book Awardwinning biography: A look at the early years of Israels statehood, experienced through the life of a pioneering nurse.During her extraordinary career, nurse Raquela Prywes was a witness to history. She delivered babies in a Holocaust refugee camp and on the Israeli frontier. She crossed minefields to aid injured soldiers in the 1948 Arab-Israeli War and organized hospitals to save the lives of those fighting the 1967 Six-Day War. Along the way, her own life was a series of triumphs and tragedies mirroring those of the newly formed Jewish state.
