Von James Byron Huggins : Reckoning (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Reckoning (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Huggins redefines the entire Christian-Thriller genre...Von lbrabble@prodigy.netWhen my best friend told me about how great this novel he'd picked up at the local library was, I thought to myself, "Oh brother, not again." However my need for a good read persisted and soon I was settled in at home with a brand new copy in my hands.What I discovered was that it is not wise to assume things about a novel you've never read. Let me put it as simply as I possibly can. Huggins redefines the entire Christian-Thriller genre... And then some.I couldn't put the book down. I couldn't even take time out for meals. This is without doubt the greatest and most fascinating piece of modern fiction I've come across in a good long while. If you have any interest in books at all you owe it to yourself to buy this one!0 von 0 Kunden fanden die folgende Rezension hilfreich. A GREAT ACTION/ADVENTURE READ!Von Ein KundeThis is my 3rd novel

that I have read by this author and he hasn't let me down yet in giving an enjoyable read. Gage is a heroic character that is double-crossed by his own people, but with the help of a few friends he exacts his reckoning. Sato the knife-wielding bad guy is Gage's main nemesis in terms of fighting and surviving abilities, when they meet sparks and flames fly! The story moves along in Huggins style with good, solid characters and intense action. A must read for Clancy-like fans, but this is better than Clancy in my opinion. Can't wait for this guy's next novel.0 von 0 Kunden fanden die folgende Rezension hilfreich. An excellent book! I couldn't put it down!Von Ein KundeAlthough James Huggins's occasionally chopped writing style was a little difficult to get used to, once I began reading this book I couldn't put it down. As well as being full of action, it is filled with the engaging conflict of one man attempting to separate himself from the darkness of his past and shape his life for the future. Gage's struggle to find his own identity and inner strength to continue the battle with evil is riveting! Mr. Huggins has done an excellent job of integrating action and emotional conflict, in a terrifyingly realistic plot.

KurzbeschreibungAfter they left him dying and alone in the Valley of Meggido, Gage turned his back on war. He turned his back on the world and gave his heart to the force that he felt saved him in that terrible darkness when his only hope lay in a power that he sensed was surely somewhere beyond the stars Once Gage was the strongest, the most cunning, the most savage of his kind. He was the perfect weapon a man who killed like lightning and utterly without mercy or hesitation or remorse. But that was the world he left behind in that cursed and demonic graveyard in Megiddo.Now Gage lives for a new purpose and a new life.Only the murder of the priest who found him dying and mercifully nursed him back to health, but was murdered because of that very act of mercy, can force Gage to once again pick up his weapons.Now Gage faces a secret society protected by a team of six perfect assassins who have never known defeat a group known as The Sixth Order who have joined together to find an ancient book that contains The Name of the Beast.To avenge the life of the man who saved him, Gage chooses to find the manuscript and destroy it before The Sixth Order can use it to decimate the Earth. But he must face each deadly killer and defeat them in combat during a haunting quest that takes him from the shadowed streets of New York to the Italian Alps to the coliseum that stands in the very shadow of The Vatican where an even more ancient and terrible secret lies buried waiting to be discovered.It is a fight that will take Gage to the edge of all he can endure, a fight that will take him to the limit of what he has ever imagined about Destiny or Man or God, a fight that will force him to become far more savage and cunning than he has ever been if he is to defeat what has never been defeated.And if Gage does not defeat them The Beast will rise from the sea KurzbeschreibungAfter they left him dying and alone in the Valley of Meggido, Gage turned his back on war.
