Von Nicholas Olivo : Red Runes (Doc Graystone Adventures Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Red Runes (Doc Graystone Adventures Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A pulp shortVon Andy W CouchI quite like the Noir genre and the idea of the pulp heroes of the 30's. Doc Graystone

definitely fits into that niche. The story is written fine and is enjoyable, though quite short. That too is a hallmark of the genre, so it didn't bother me. This, being the first of the series, introduces what I assume are the main characters and runs them through the story. DocG definitely has a lot of power he can throw around, but there are prices for it too apparently. I am curious to see how the series develops.

Kurzbeschreibung Boston, 1932. The police are baffled by a series of killings in which mystical runes have been carved into the victims flesh. Desperate for help, they turn to Doc Graystone. Graystone quickly finds there's more than murder afoot as he runs afoul of demons, revenants and ragmen. But when he learns the very fate of the world is at stake, can the gentleman necromancer stop the diabolical Runemaster in time?
