Von Heidi Skarie : Red Willow's Quest (English Edition) before purchasing it in order to gage whether or not it

would be worth my time, and all praised Red Willow's Quest (English Edition):

KurzbeschreibungAction, romance, and adventure set the tone for this uplifting story about a Shoshoni maiden, Red Willow, who sets out on a quest into the rugged Rocky Mountains on her spiritual journey to become a medicine woman. She must face tribal opposition, wild animals, enemy warriors, and dangerous white trappers. Wind Chaser, a wolf-dog, is her only companion until Masheka, a Kootenai warrior, is guided to protect her.KurzbeschreibungAction, romance, and adventure set the tone for this uplifting story about a Shoshoni maiden, Red Willow, who sets out on a quest into the rugged Rocky Mountains on her spiritual journey to become a medicine woman. She must face tribal opposition, wild animals, enemy warriors, and dangerous white trappers. Wind Chaser, a wolf-dog, is her only companion until Masheka, a Kootenai warrior, is guided to protect her.
