Where the one explained the source of the problems, this one addressed the current situation and presented alternatives. Thank you.0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent!!!Von Peter VanderbentThis is a book that every christian should read. It thoroughly explains what it means to be the body of Christ. Highly recommended!

KurzbeschreibungA revolution is moving through the body of Christ, challenging the spiritual status quo and redefining the very notion of corporate worship - a movement inspired by the divine design for holy fellowship. It's a fresh concept rooted in ancient history. "Reimagining Church" is a stand-alone book, as well as the follow-up sequel to the best-selling "Pagan Christianity?"
