**Von Tina Gayle : Reinhard Heydrich Iron Heart (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Reinhard Heydrich Iron Heart (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein komplett anderes Bild des "Monsters"Von KundeEin Buch, das keinen wissenschaftlichen Anspruch erhebt , dafr aber mit vielen Legenden aufrumt , die ber Heydrich immer wieder erzht werden . Das Buch ist interessant zu lesen und Tina Gayle schut sich nicht , daraufhin zu weisen , dass das heutige Bild , das wir von Heydrich haben in erster Linie auf Britischer Propaganda beruht, die bis heute wirkt. Die Schriftstellerin zeigt das "Monster" von einer vollkommen anderen Seite , dabei lt sie sich von khler berlegung leiten.Wer gegen den Strom schwimmt , wird natrlich Kritik

ernten. Mir hat es trotzdem gefallen.

KurzbeschreibungSS General Reinhard Heydrich former Head of the Gestapo died 72 years ago and remains the only Senior Leader assassinated in WW2. He was known as The Butcher of Prague, The Master of Death, and The Hangman; and described as The Most Evil Man of the Third Reich. This book reveals new first-hand evidence that will explode some of the myths and stories about him. Hitler called him The Man with an Iron Heart, but do you know why? Find out whether Canaris was actually a friend or foe, and the secrets of the real relationship between Heydrich and Himmler that spanned eleven years. You might be surprised to learn who was controlling whom in the RSHA and why a small silver bell with Heydrich's name on it, had me chased by armed guards in Prague just last year. Heydrich was Acting Head of State in Czechoslovakia for just 8 months, but his vision of New Europe has affected the Europe we know today. All this and more is revealed in a Serious Case style investigation with myths busted and secrets uncovered from first-hand information about the man with an IRON HEART.
