Von Erich Martin Hicks : **Rescue at Pine Ridge: Based on a True American Story (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rescue at Pine Ridge: Based on a True American Story (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. An epic

novel about the Buffalo Soldiers Von Alfred Wallon There are quite a few western novels about soldiers - especially the 7th cavalry and George Armstrong Custer. "Rescue at Pine Ridge" describes an episode about the legendary Buffalo Soldiers from the 9th cavalry. Erich Martin Hicks knows about what he is writing. He tells about the soldiers everyday life as well as the participation during historical events. Its time that these brave and bold men are given a "literary monument", and this is what Erich Martin Hicks has done. He did detailed researches for this novel and that's what makes this book so fascinating. Thrilling episodes about the Buffalo soldiers - from the Apache Wars to Wounded Knee. Good work and good writing style - I recommend this book to all readers who are interested in historical facts and a thrilling storyline.

Kurzbeschreibung Rescue at Pine Ridge the novel, is the untold story of the rescue of the framed 7th Cavalry, by the 9th Cavalry Buffalo Soldiers. The novel takes the reader on a journey with one of the most highly disrespected regiments in the history of the United States Military, "The Buffalo Soldiers". The gossip and rumors they experienced were false due to paranoia and racism. The civilians, their Officers, the American Indians that gave them their name, who observed their bravery, gallantry and heroism, knew better. Rescue at Pine Ridge is the story of the 9th Cavalry from its Congressional conception in 1866, to the rescue of the famed 7th Cavalry by the 9th Cavalry Buffalo Soldiers, 1890. The 7th Cavalry was entrapped again after the Little Big Horn Massacre, fourteen years later by the Lakota Nation, the day after the Wounded Knee Massacre. Only after enduring an all night forced-march in a snow blizzard, the 7th Cavalry are saved from sure annihilation by the 9th Cavalry Buffalo Soldiers. The story concludes with the 9th Cavalry, K Troop, representing all the 9th Cavalry, being rewarded for accomplishments at Pine Ridge, and their other duties in the 'western territory', with Presidential Parade Escort and Ceremonial Burial Detail duties. This story is about, brutality, compassion, reprisal, bravery, redemption, heroism and gallantry.
