**Von Catherine Farnes : Rivers of Judah, The (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rivers of Judah, The (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Can I record a thunderous applause?Von Ein KundeRebekah is an average Christian teenager in the middle of a church crisis. Judah is the new pastor's son--with a secret to hide. Michael is determined to discover the secret, and he's not going to give up until he does. Together, Rebekah and Judah find out what trusting in God's promises really means.

I've read this book in my English classes twice so far, and I've had my junior high and high school classes mesmerized. The dialogue is incredible, and the intensity of this book is thrilling. Discussion topics come brimming out of the plot. Here are some believable kids in relevant crises that can help other teens with current issues they're facing: sibling rivalry, genuine godliness, persecution, and forgiveness and restitution.

**Kurzbeschreibung**In *The Rivers of Judah*, teen fiction by Catherine Farnes, Rebekah's church is thrown into chaos when Judah Ewen's father takes the pastorate and moves the family to town. As rumors of a tragic drowning in an Alaskan river travel through the congregation, the spotlight falls on Judah, the pastor's son. Was he responsible for the death?
