Von Johannes Laufs : Robert Mugabe - Struggle, power and manipulation: A leadership case before purchasing it in order to gauge whether or not it would be worth my time, and all praised Robert Mugabe - Struggle, power and manipulation: A leadership case:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Short but a great read Von Peter Gruene This document obviously is a rather short case study. But it focuses very well on Mugabe's development over time and his style of governing Zimbabwe. I very much liked the style of writing, so that I read it through immediately. For those being further interested in the topic and its background it might actually be

good to refer back to the books this paper is based on. The list of references at the end is a good starting point!

Kurzbeschreibung Essay from the year 2010 in the subject Politics - International Politics - Region: Africa, grade: 19 von 20 Punkten, Stockholm School of Economics (Stockholm School of Economics), language: English, abstract: Current developments in Zimbabwe indicate that the long lasting downturn may come to a halt, raising new hope for a turnaround. And yet, the conflict is far from being solved. The presidential elections held in 2008 are known to have been manipulated to a decisive extent. Whereas the issue has been neglected for a long time, one question is now being asked with increasing frequency: Where did it all go wrong? This paper takes an approach from leadership theory. Looking at Robert Mugabe in the role of a social as well as political leader, it is analyzed which impact his actions had on Zimbabwe as a country and its citizens as individuals. Firstly, it is to be analyzed how Mugabe came to power. Thereafter the focus will shift onto his first years in office and his establishment as a political leader. Subsequently his leadership role during the countrys economic and social collapse will be analyzed critically before the last section will provide recapitulatory remarks and outlooks into the future of Zimbabwe and its leadership.
