Von Nicky Cruz, Jamie Buckingham : Run Baby Run (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Run Baby Run (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A lifetime of influence.Von P M HeywoodFirst read some 25 years ago, this is an account of touching reality - a harsh environment of tortuously limited survival odds. That Cruz escapes is testament to the persistence of his religious preceptor. As compelling a message, however, is the strength Cruz found within to turn from his familiar and

disturbingly comfortable existence. Therein lies the true purpose - it is less a bible thumping exercise than an exemplar of spiritual power. I have read the book on countless occasions and, though not deeply religious, have often drawn on its dynamism. As with other critiques, I believe that as a tale of hope, though it may not convert, it might at least reform. 1 von 1 Kunden fanden die folgende Rezension hilfreich. One of the greatest books I have ever read Von Ein Kunde I recommend this book to any reader and nonreader because i am sure they will all enjoy this book. I have just recently finished reading it (I only wished I had read it earlier) and wanted to know more so next best thing was to read David Wilkerson's book's (the little skinny preacher) that did wonders for Nicky. It is just incredible how the Holy Spirit works wonders through someone else. I do hope Nicky will write another book, (or has he, I like to know) (as I am in Downunder and get second hand news) as I would like to know lots more. 1 von 1 Kunden fanden die folgende Rezension hilfreich. What every teen should read! Von Penelope Pacquette I read this book about six years ago, when I was 13, where I had a paperback copy, which was blue... Now after all this time If ever I am asked, which was the greatest book that I have ever read. "Run, Baby Run" is by far, one of the best. I would recommend this book to all teenagers, so they are made aware of the difficult life of drugs and violence and yearn to avoid it at all cost.

Kurzbeschreibung Cruz's classic testimony is still compelling reading more than forty years after its first publication. A childhood overshadowed by spiritualism in his Puerto Rican home preceded a harsh and violent adolescence as the leader of one of New York's toughest street gangs. Chilling scenes of knife fights, torture and murder dominated the life of a young man proud and feared on the outside, but inwardly running scared. His fears and loneliness were brought to the surface through an encounter with the unlikely character of preacher David Wilkerson, who led Cruz to open his life to Christ - an incredible conversion that amazed all who knew him. Werbetext One of the most powerful Christian testimonies of the twentieth century. Kurzbeschreibung Cruz's classic testimony is still compelling reading more than forty years after its first publication. A childhood overshadowed by spiritualism in his Puerto Rican home preceded a harsh and violent adolescence as the leader of one of New York's toughest street gangs. Chilling scenes of knife fights, torture and murder dominated the life of a young man proud and feared on the outside, but inwardly running scared. His fears and loneliness were brought to the surface through an encounter with the unlikely character of preacher David Wilkerson, who led Cruz to open his life to Christ - an incredible conversion that amazed all who knew him.
