Von Stuart Woods : Run Before the Wind (Will Lee Novels) before purchasing it in order to gage whether or not it would be worth my time, and all praised Run Before the Wind (Will Lee Novels):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A wonderful reading experience. A modern classic!Von Ein KundeI've read this one long time ago, and wish someday I could read it again. I couldn't remember it clearly...it's about a boy grew up in England and built a boat and sailed it back to East coast of Ameirca and become a man. Wonderful story, it actually made me wet my eyes. The

sequel "GRASS ROOT" I was also rated it a "10". Both books were the gems of the primetime production of this author, after these two, it's a downhill slide, the author has gradually become a mediocre writer with those DIRT, CHOKE, DEAD EYE, IMPERFECT STRANGER Craps! Even wine list and food might become big deals in his horrible lousy new books0 von 0 Kunden fanden die folgende Rezension hilfreich. My New Favorite Stuart Woods Book! Von CustomerTo really appreciate Run Before the Wind, you have to read Mr. Woods Memior, Blue Water Green Skipper first. He has taken a great deal of what took place during (and before)the 1976 OSTAR race and turned in into a stunning novel. I found myself unable and unwilling to put it down.I admire Mr. Woods ability to put some of these more difficult events into such a gripping novel and wonder if maybe it had a cathartic effect for him. I had previously been a devoted Stone Barrington fan, but since reading many of his backlist, I am now an enthusiastic Stuart Woods fan!0 von 0 Kunden fanden die folgende Rezension hilfreich. For sailorsVon Willy GerberYou have to be a sailor to really appreciate this book. I am not a sailor. Also if you are expecting suspense and action you will be disappointed. Still, it is a nicely told love story. Love for sailing and love for women, inspite of some rather boring easy sex scenes (the authors wishful thinking?).

KurzbeschreibungA breathtaking novel of suspense and high-adventure by New York Times bestselling author Stuart Woods. Will Lee ran from a life of Southern wealth and privilege to spend a peaceful summer on the coast of Ireland. But there is no peace in this beautiful, troubled land. Restless and dissatisfied, Will dreams of shipbuilding and sailing on crystal-blue waters. But an explosion of senseless violence is dragging the young American drifter into a lethal game of terror and revenge. For the fires of hatred rage unchecked in this place of lush, rolling hills and deadly secrets. Now Will Lee must run for his life from a bloody past that is not his own-and he will find no sanctuary on the rolling waves of the Irish sea. PressestimmenPraise for Run Before the WindA riveting, powerful, hypnotic tale. The Washington Post[Woods has] the magic touch of a born storyteller...Theres no let-up in the breakneck action until the storys final, violent climax. Columbus Dispatch Quietly drawn and satisfyingly tense...Murder, betrayal, and a heavy sense of doom are rendered almost lyrically. Booklist The dialogue is crisp and the pace is crisper. A good read for the adventure seeker. Library JournalMore Praise for Stuart WoodsStuart Woods is a no-nonsense, slam-bang storyteller. Chicago TribuneA world-class mystery writer...I try to put Woodss books down and I cant. Houston ChronicleMr. Woods, like his characters, has an appealing way of making things nice and clear. The New York TimesWoods certainly knows how to keep the pages turning. BooklistSince 1981, readers have not been able to get their fill of Stuart WoodsNew York Timesbestselling novels of suspense.
