Sound principles for design and implementationVon PETRI TOTTERMANThis book is not about features, but sound principles. Hence, despite 2 years old, the book is completely current today, and will not be obsoleted by next SFDC version.Although the book's emphasis lays generally on CRM and particularly on SFDC, a large amount of wisdom can be applied to any IT project.The Secret of Success book can be considered a classic, and everyone interested in

SFDC should read it.

Kurzbeschreibung New Tools and Best Practices for Driving More Sales and Profits with Salesforce.com From Chatter to the Service Cloud, Salesforce.com now offers unprecedented opportunities to supercharge business performance. But most SFDC customers won't achieve that potential. *Salesforce.com Secrets of Success, Second Edition*, is the one guide that will help you transform these opportunities into profit. Drawing on his personal experience with more than a hundred deployments, David Taber guides you through every aspect of Salesforce.com planning, implementation, and management. Building on a first edition that earned rave reviews, Taber focuses on the most valuable innovations in Salesforce.com's most recent releases. Reflecting all that's been learned about making Salesforce.com work, Taber offers results-focused best practices for sales, marketing, customer service, finance, legal, IT, and beyond. You'll find indispensable new insights into accelerating user adoption, achieving stronger operational results, and overcoming today's key obstacles to maximizing the value of Salesforce.com. New coverage in this revised edition includes Using the Service Cloud to cut costs, accelerate time to revenue, improve agility, and maximize customer lifetime value.
